from our competitors

Client profile

GOAL: PWA-°©--International is soliciting project proposals from the general public and needs a team of consultants to propose solutions and enhancements for two (2) of their existing web applications. In addition, PWA-°©--International wants a brand new Battleship application developed in 4 weeks or less to see how efficient your team works together. You & your team will form a WDD company to compete and win the PWA-°©--International Project proposal over the next 4 weeks. Each team will host & demo a website 3 different website prototypes-°©--°©--°©--demonstrating all three (3) of your Web Applications, as follows:

1. The Duel (Part 1-°©--3)

2. Buggy Search Engine

(3 versions)

!

3. Battle Ship

!

!

NOTE: Make sure there is a slide for each Web Application!

Evaluations

We all contributed to information presented on the side.

We also talked and listed to everyone's ideas.

Debbie made the company logo and came up with the name

Levance typed the information on the slides.

Selena

The one thing we believe we should work on is our mission statement.
